# MUNCHKIN® APOCALYPSE MARS ATTACKS!

In 1962, Topps created a trading card set telling the story of a brutal alien invasion and Earth's heroic resistance. The **Mars Attacks** series was so full of violence, gore, and implied alien naughtiness that parents rose up in outrage and the cards were discontinued.

Fast forward to 2013. The kids of 1962 are the grandparents of today. And you know what? They *love* **Mars Attacks!**, and so do their kids and grandkids. So the Martians are back. But Earth will triumph again! And it gives us great and wicked joy to bring the Martian invasion into the world of **Munchkin**, so you can kill them and take their stuff. Please enjoy . . . **Munchkin Apocalypse: Mars Attacks!**
