Second Edition

Munchkin®

Duck of Many Things™

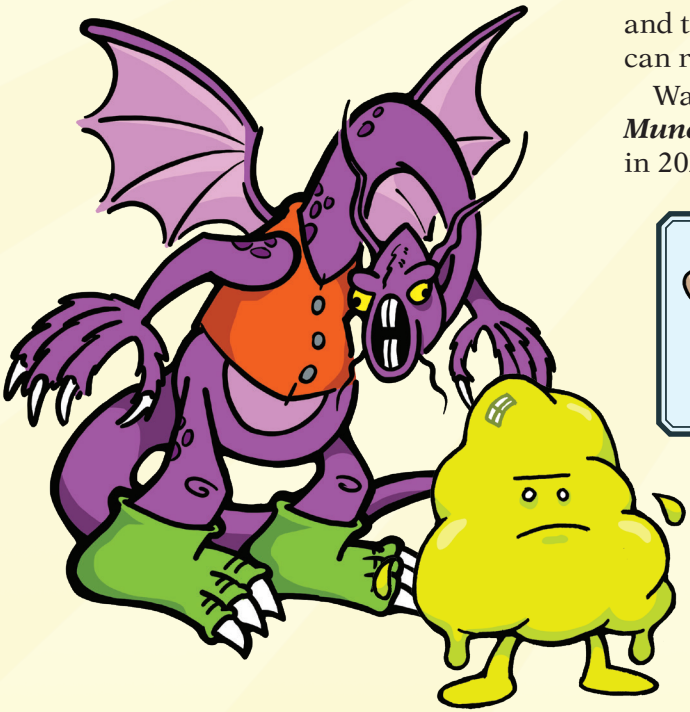

It slices! It dices! It's a floor wax, a backrub, and a faster Net connection, all in one! It's the ***Duck of Many Things***!

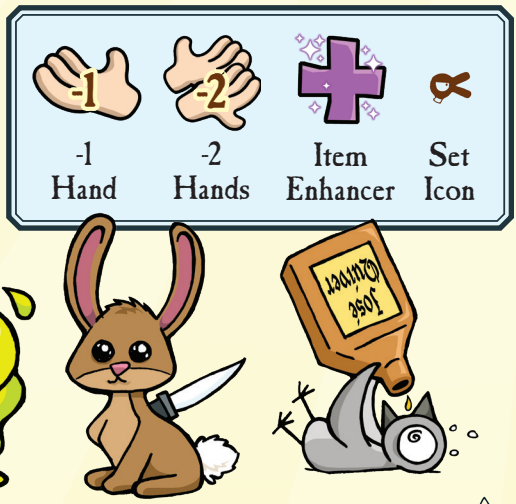

(Narrator: None of that is true.)

Welcome to the first supplement for ***Munchkin Second Edition***. Here are 150 cards you have drawn and loved. Now they're upgraded to better buff your munchkins, threaten their lives, and fill their bags with loot. Visit the **Garage Sale** or the **Dungeon Casino**. Pick up a handy **Foot-Mounted Mace** or the classic **Unnatural Axe**. Destroy the **Jabberwock** and the **Snot Elemental**, and take their stuff!

This set adds a new card type: Item Enhancers. These cards permanently attach to an Item, giving that card additional rules. There are also several Dragons hiding in the Door deck to fill out that Horde. And if you happen to have missed the news: ***Munchkin***, after 25 years, has released a second edition. The rules are faster (especially the endgame) and the cards have icons for ease of use. You can read all about it at **munchkin.game**.

Watch for the next 150-card expansion, ***Munchkin: Deus Ex Machinegun***, coming in 2027!
